200 Artists across sixty acts

ABOUT US

We have been running for the better part of 33 years. Our first festival in 1989 was born from community passion and the drive of the Chamber of Commerce and supported by the previous Major Partner in the TAC.

We perhaps wouldn't exist without support from the community over time, and so many partners who come together to help our voluntary board put on a showcase of music and highlight the beautiful region we live in.

For a number of musicians we are their first gig, and for others they are repeat visitors and seasoned veterans.

Our production and musical exposure occurs across a variety of venues and music genres. Audience size ranges from intimate sets for a 100, to outdoor gigs for 1000's.

Musical Partner

We are looking for brands aligning to our aim to be a world class event in regional Australia to partner with our Festival and help it continue be sustainable and a key part of the music community.

Return on Your Investment:

- Key messages through newsletter & digital connections
- Emcee mentions through out three days
- Logo inclusion and prominent placement in Festival marketing promotions
- Website & Media presence
- Social media acknowledgements
- Community Inclusion & Involvement

\$2,000 - \$15,000 EXC GST

Next Steps:

Sponsorship packages can be tailored to meet your specific needs. If this package looks right for you please contact our General Manager - Leanne for more information about how you can support our Festival
